Dear Families,

We have an important update to share with you regarding Ave Maria Child Development Center and Preschool. Saint Francis has made the difficult decision to close both Ave Maria centers effective December 31, 2024. We share in your disappointment regarding this decision, but we are pleased to share that Bright Horizons will continue to be one of the high-quality preferred providers for Saint Francis families.

We have identified Chapman Child Learning Center as a Bright Horizons center that would be happy to welcome both our Saint Francis and our community families. Saint Francis will provide transitional discounts for Saint Francis employee families currently enrolled at both Ave Maria centers. If you are interested in receiving additional information regarding enrollment in another Bright Horizons, please reach out to Kim Brown or Ashley Cox.

As always, we will support the teachers and leadership team through this process over the coming weeks. They will have the full support of our Human Resources and Talent Acquisition teams. We are working to relocate all teachers to other Bright Horizons programs and our goal is to keep every teacher within the Bright Horizons family.

Sincerely,

Kim Brown  
Center Director
